

Planning a National Single Window

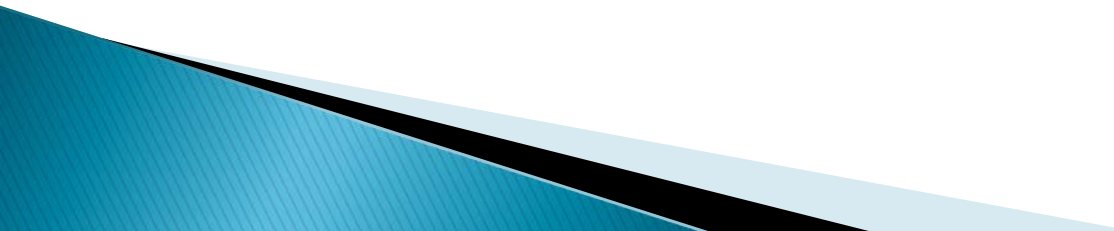

Presented by : India

Sri Lanka
Maldives

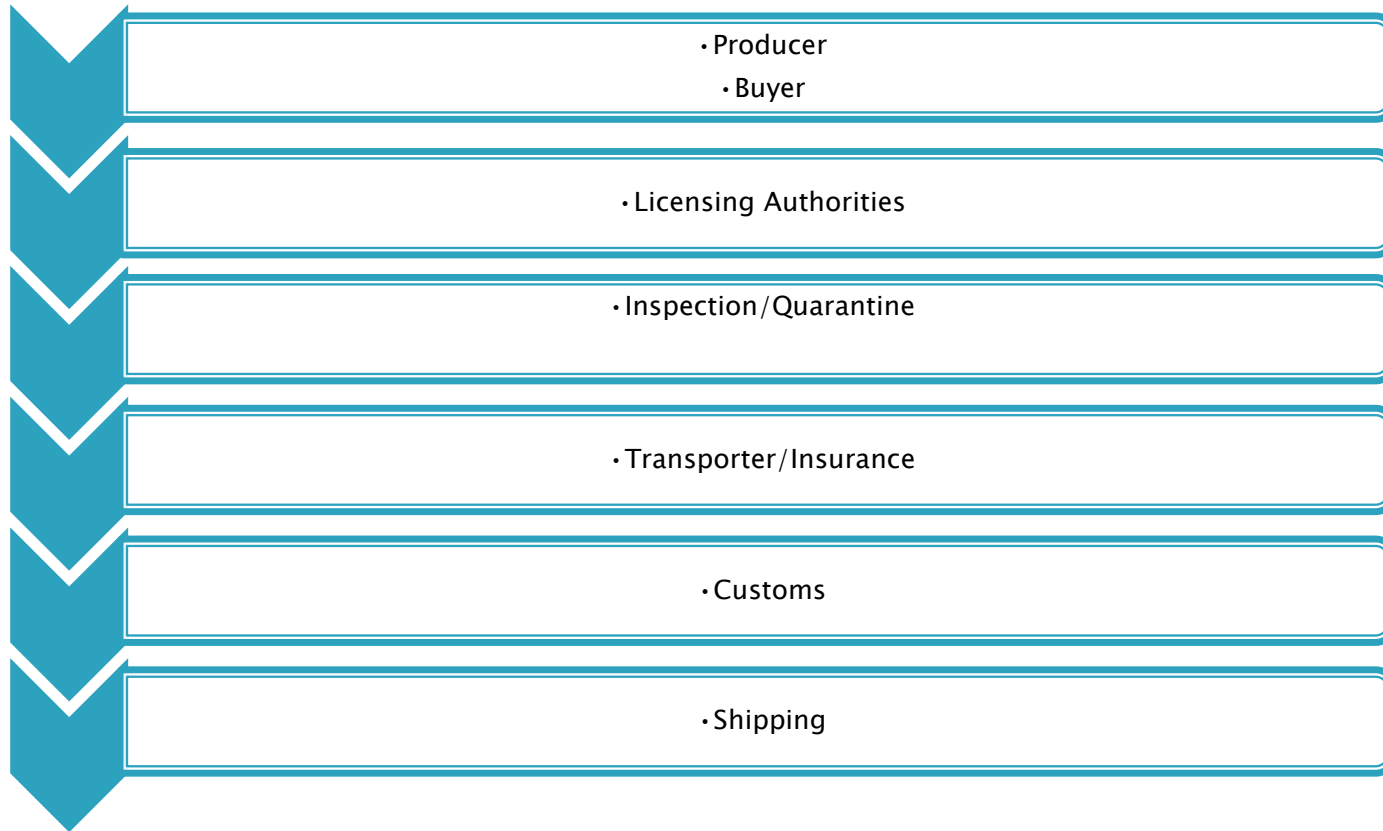

Single window implementation

- ▶ Country X has an agro-based economy
 - ▶ Need for a single window for promoting export of agro-based products
 - ▶ Business process analysis
 - ▶ Planning
 - ▶ Implementation
- 

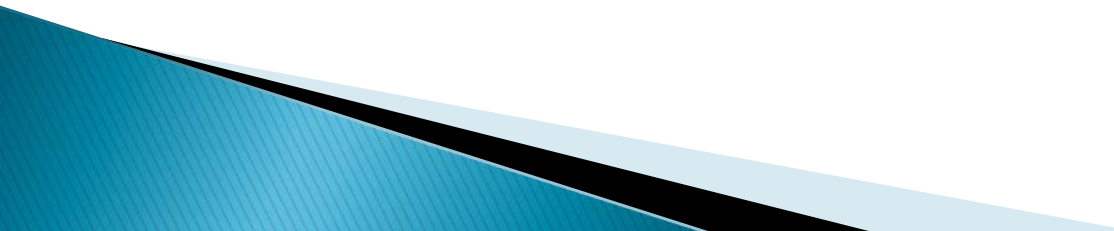

Need

- ▶ Products having some short life
 - ▶ Multiple agencies involved in the export process
 - ▶ To increase competitiveness in international trade
 - ▶ Demand from the trade
- 

Business Process

Planning

- ▶ ICT gap analysis
 - ▶ Arrangement of funds
 - ▶ Legal gap analysis
 - ▶ Data harmonization and alignment
 - ▶ Development of single trade form
- 

Time and Resources

- ▶ 3 years allocated for full implementation
- ▶ Resources will be granted by ADB and WB

Challenges

- ▶ Lack of political will
- ▶ Lack of IT infrastructure
- ▶ Legal barriers

Thank You !!!
